

Application for NASA's Asteroid Initiative Forum in Phoenix, AZ

The following information will help us select a pool of diverse participants aged 18 and above for "Informing NASA's Asteroid Initiative: A Citizen Forum" to be held in Phoenix on Saturday, November 8, 2014, from 9am until 5pm. In addition to selecting about 100 participants for the forum, the data collected from the applications for this project will also be used for research purposes, for example, to identify the demographic and other characteristics of the people who participated in the deliberation. This information can be used in analyzing the results of the citizen forum. There is no benefit to applying. Individuals selected for the forum who complete the deliberation will receive \$100 stipend for participation.

The names of all individuals completing the application will remain confidential. By completing this application, you acknowledge that your participation in this project is entirely voluntary and you agree that the data provided may be used for research.

If you have any questions or concerns about the research process, please contact Professor Richard Worthington at rworthington@pomona.edu or (909) 607-3529.

You may print the application and mail it to Ira Bennett, ASU CSPO, PO Box 875603, Tempe, AZ 85287-5603, or use Adobe Reader to fill in the PDF form and then email the completed application to Ira Bennett at ira.bennett@asu.edu.

Application for NASA's Asteroid Initiative Forum in Phoenix, AZ

Please complete the survey with the information requested so that we may evaluate your application on the basis of the criteria described above. We will let you know whether or not you have been accepted to participate by **early-October**. If you are not selected, there will still be opportunities to participate in public events after the conclusion of the project. Please answer as fully and accurately as possible.

Thank you for your interest in NASA's Asteroid Initiative!
